

English Mastery

Mastery package

The Mastery package gives you online access via the MyMastery digital learning platform to everything you need to deliver the English Mastery curriculum, including solutions for blended learning, curriculum resources and bite-sized professional development.

Teaching & Planning

- Detailed KS3 curriculum map
- On demand teaching overview videos, split into accessible 'staging posts'
- Unit narratives - overviews of key content and learning
- Weekly co-planning documents and templates
- Knowledge organisers
- Expert insights

Lesson Resources

- Powerpoint slides for each lesson
- Printable student workbooks
- Further reading lists for students
- Remote learning workbooks
- Homework activities

Assessment & Intervention

An integrated summative and formative assessment model including:

- Standardised assessments for each Literary Heritage unit
- Comprehensive standardisation booklet
- Assessment guidance and mark schemes
- Fortnightly mastery quizzes with reteach tasks

Professional Development

A wide range of professional development modules online and on demand, organised by staging post, including induction training, curriculum-specific PD, a selection of webinars to develop subject-specific pedagogy.

With Ark Curriculum Plus you'll get:

✓ A well-sequenced and interlinked curriculum

✓ A full suite of classroom planning, delivery, assessment and intervention resources

✓ Integrated training and professional development
