

Mathematics Mastery

Tailored package

The Tailored package gives you online access via the MyMastery digital learning platform to everything you need to deliver the Mathematics Mastery curriculum, plus bespoke remote and face to face professional development for your Mastery Lead and teaching team to embed consistent pedagogy and practice across a school or trust.

Teaching & Planning

- Detailed curriculum maps per year group
- Teaching overviews, split into accessible 'staging posts'
- On-demand video tutorials to develop subject knowledge and support lesson delivery objectives
- Weekly departmental workshops and templates
- Guidance on adapting and differentiating materials for learners

Lesson Resources

- Powerpoint slides for each lesson
- Integrated planning guidance for each lesson
- Printable student workbooks
- Task bank tasks
- Aligned home learning video lessons

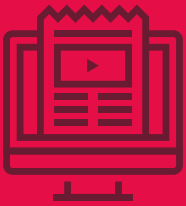

With Ark Curriculum Plus you'll get:

A well-sequenced and interlinked curriculum

A full suite of classroom planning, delivery, assessment and intervention resources

Integrated training and professional development, plus bespoke training and professional development for the whole team

Book a Demo: arkcurriculumplus.org.uk/book-a-demo

Assessment & Intervention

- Formative assessment through Weekly diagnostic quizzes via Eedi with online feedback
- Catch-up materials
- Intervention resources
- End of year assessments

Subscriptions

Small school package (4 forms or less)	£6,800
Standard school package (5 - 7 forms)	£7,000
Extended school package (8 or more forms)	£7,200

Professional Development

A wide range of professional development modules online and on demand, organised by staging post, including induction training, curriculum-specific PD, a selection of webinars to develop subject-specific pedagogy.

- Live, on demand and bespoke in-school training options tailored to schools needs
- Subject leadership course to support the development of your Maths Lead
- A dedicated Maths Mastery mentor (School Development Lead) to maximise impact
- Coaching support with up to two in school visits and six remote 'leadership development' sessions
- Two places at the Ark Curriculum Plus Conference
