Mastery Write Outline

Create a Mastery Write activity following these instructions.
The Mastery Write is an opportunity for pupils to apply their grammatical knowledge and understanding when crafting a sentence. • You will need to choose an image or use the one provided. • Provide vocabulary you would like the pupils to use. If you are using ambitious vocabulary that the pupils may not have experienced before, it would be useful to provide definitions. • Write an example to check at the end. Make an error so that pupils can discuss how to correct it. ** You may want your pupils to write more than one sentence so you can amend as required.*
